as of June 15, 2009

The following guidelines apply to all food prepared or brought into Congregation Beth HaTephila:

- **Pork and pork products are not permitted.**
- **Shellfish is not permitted. Any seafood must be from a fish with fins and scales.**
- **Dishes may contain meat products, or dairy products, but not both. Fish may be mixed with dairy products.**
- **Any dishes that contain foods which mimic explicitly non-kosher foods e.g., artificial bacon, faux crab or seafood, etc. must be clearly labeled for their contents.**
